ABOUT ME I'm a very curious person. I love learning new things and delving into them. When I'm working on something that I like, I feel very connected to and excited with my job. I'm a quick learner, most of my digital illustration skills were autodidact. I'm very detail oriented, so when there is harmony in the final outcome is when I enjoy it the most.

SKILLS

Adobe Illustrator

Adobe Photoshop

Adobe Indesign

Cinema 4D (actually learning)

Adobe After Effects

(want to learn)

HML (want to learn)

CSS (want to learn)
